Dear Parent/Carers

On behalf of Heath Park staff, governors and trustees, we are writing to inform you that we have now received the report from Ofsted, following our inspection which took place on the 5<sup>th</sup> and 6<sup>th</sup> November 2024. The report, which is attached to this letter, reflects the hard work and collaboration of staff, students and parents to ensure that Heath Park continues to succeed at the highest level in the city, the region and on a national level.

We are incredibly proud of our students and proud that our hard work has been recognised. I am sure that you too will also be proud with what you read in the report. There are with many references to exemplary provision, learning and positive behaviours which typifies what we do on a daily basis at Heath Park.

I want to draw your attention to some of the following feedback we received:

*'Pupils thrive at Heath Park. This is a school which lives its values to place 'every pupil always in focus'. Staff work together effectively to enable pupils to excel and to give them high quality experiences.'*

*'Pupils typically behave with considerable understanding and kindness to each other. They understand the school's expectations for how they should conduct themselves and how they should treat each other. Pupils know that adults will support them skilfully to make positive choices. Pupils are happy because the school is underpinned by warm and positive relationships.'*

*'Disadvantaged pupils and pupils with special educational needs and/or disabilities (SEND) achieve well. This is because teachers know in detail the support needed to help these pupils succeed.'*

*'The school is proud of the increasing number of pupils from the sixth form who have accessed courses at top universities.'*

*'The arrangements for safeguarding are effective.'*

We want to personally thank everyone who completed Ofsted's Parent View survey, as this serves as valuable feedback as part of our continued push for constant improvement.

The Ofsted Report for the school will be on our website from tomorrow, the 17<sup>th</sup> of January 2025 and will appear on Ofsted's website next week.

This report is testimony to your relentless commitment. Thank you once again for all the support you continue to give the school.

Yours faithfully
